Moderator: Pironada Nako   **Recorder:**   Keti Hysi

Other Members Present: Ardit Gega, Gerald Jovani, Xhensila Lakti

Members Absent: _____

Topics Discussed:
1. We discussed about the features that our project will have.
2. We discussed about the organization of a clinic(doctors,nurses,documents,medicines etc).
3. We discussed about the situation of health institutions nowdays and tried to figure out the problems in order to optimize it somehow with a simple web application.

Decisions Made:
1. We should find the technologies that we are going to use.
2. We should go in a clinic and talk with the representatives or workers in order to get the right information.
3. Based on the information we will get from the clinic , we should have an idea of how the database will be and we should give specific tasks in order to start coding.

Tasks Assigned:
1. All of us will go to the clinic to get information.
2. Each one of us should make researches for the technologies we will use and to think in which part of the project would like to work more.

Time, Place, and Agenda for Next Meeting:
10:30-11:30 , 19.03.2019, Epoka Campus**.**
Trying to find the best technology in order to start work and decide how the database will be.
